## PARTICIPANT STATEMENT

(date)

2. In accordance with applicable law, 39 U.S.C. § 404(d)(5), the Petitioner(s) request the Postal Regulatory Commission to review the Postal Service's determination on the basis of the record before the Postal Service in the making of the determination.

3. Petitioners: Please set out below the reasons why you believe the Postal Service's Final Determination should be reversed and returned to the Postal Service for further consideration. (See pages of the Instructions for an outline of the kinds of reasons the law requires us to consider.) Please be as specific as possible. Please continue on additional paper if you need more space and attach the additional page(s) to this form.

There was not a district manager or MPOO  
at the public meeting held here in Amoret.

Our Post Office is located on highway 52  
and is used by truck drivers because  
the semi trucks are not allowed in many  
other Post Office zones.

Most days there is more than 8 minutes

worth of transaction. We are asking to be re-evaluated.

At the public meeting Jean Dean said that the post man could pick up packages at the rural boxes, we have since found out that the packages must be Priority Mail or above.

Thank You
